

What's on my mind

What's on my mind?
It's drifted in an untimed space
Void of thoughts and dripping fear
My hopes filled in my lungs
Yet, my faith bellows strong

What's on your mind?
When aliens alight from spaceships
Wearing a monstrous hideous grin
Not to sign a peace treaty
But to have one cornered in a lonely Zoo

What's on our mind?
A vile escaped convict 19
Stuck in a covid pandemic
It comes in a reign of terror
Oblivious of young, old, rich or poor?

Now tell me,
What's on your mind?
